

PD10/15 SERIES POST HOLE DIGGERS

HP REQUIRED
15-40 HP
Subcompact

HITCH
Cat. 1

DIRTWORKING

Two sizes: perfect for DIY!

The PD10 and PD15 Series Post Hole Diggers are just right for 3-Point attachment to Cat. 1 subcompact and compact utility tractors. These units offer a 30" or 48" auger length and a choice of 6", 9", & 12" auger flights with cast steel fishtail tips for quick piloting and faster hole starting. Landscapers, rental yards, contractors, farmers, ranchers, and land owners will find that the PD10 or the PD15 meets their general duty needs and applications.

Manhandling a Post Hole Digger by yourself is next to impossible. With our innovative Post Hole Digger storage stand, one person hook and unhook becomes a reality!

6", 9", 12", 15" & 18"
Rock Augers available for PD15.
(Tips highlighted for illustration)

Cast steel teeth are replaceable, and positioned for maximum digging performance.
